

1130 PVC WRAPPING TAPE DATA SHEET

Product Name	: 1130 PVC Wrapping Tape
Backing Material	: PVC Film
Color	: Black
Thickness	: 0,13 ± %5
Adhesive System	: Rubber Pressure-Sensitive Adhesive
Adhesion	: 1.52 N/cm
Tensile Strength	: > 20 N/cm
Elongation At Break	: >180
Temperature Resistance	: 80 °C
Voltage Breakdown	: 7.0 kv / mm
Roll Length	: 25 yrd
Width	: 48mm
Inside Core Diameter	: The paper core size is 44 mm
Packing	: Each roll with heated shrink and paper label (print own LOGO) 6 rolls shrinked again, 72 rolls in one carton.
Packing Size	: 24cm x 31cm x 32 cm
Packing Weight	: Gross Weight: 15 kg
Features	: Excellent stickiness, good insulation property, significant flame retardant capacity, voltage resistance and weatherproof, good anti-acid, anti-alkali, anti abrasion and anti-oil performance.
